GLOBAL TRADE ETHICS: TOWARDS A SOCIALLY RESPONSIBLE WORLD TRADE ORGANIZATION (WTO) (PAPERBACK)

X-Press Designs Ltd, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Jawara and Kwa (2003: 77) point out to a report that the US maintains a blacklist of unhelpful third world trade negotiators who are regarded as agitators , and that often, these are forced to resign their posts or their home governments are pressured to recall them home and re-assign them.the WTO is a world of manipulation and threats, if not bribes; to ensure developed countries get their way at the expense of poor nations, as ActionAid (2006) reports that: The livelihood of millions of the world s poorest people are threatened by negotiations that are taking place right now [in 2006], in the preparation for the World Trade Organization s meeting in Hong Kong. Rich countries are seeking new export markets for their agricultural produce, industrial products and services. They want all countries, including the poorest, to sign up to new trade commitments that will further open up their economies to international competition.If the rich countries aren t stopped, poverty and inequality in many of the countries in which we work could deepen (p. iv) The TWN and ActionAid therefore share similar view on the WTO, which are backed by realities on the ground, exemplified by a few items: removal of subsidies from subsistence agriculture in the third world while they are maintained in EU and American large scale agriculture, massive privatization that has gone into the hands of mainly foreign capitalists while back in the US and within the EU failing banks are being shored up with public money. Similar voices were echoed in a joint statement by several NGOs after the Hong Kong Ministerial in 2006: Agriculture remains the sector containing most trade...
