

The Next Wave: On the Hunt for Al Qaeda's American Recruits

By Herridge, Catherine

Crown Forum, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "An absolutely compelling case that we haven't seen the end of terrorism in this country. In a gripping narrative, Herridge tells how it was only by sheer luck we sidestepped al Qaeda's "second wave" - and we'll need all the more of it not to be hit by the next." Bob Baer, New York Times bestselling author of See No Evil and Sleeping with the Devil "The only thing more disturbing than al Qaeda's efforts to recruit U.S. citizens to harm America is its success at doing so. Expertly investigated, The Next Wave delivers a powerfully written, fresh look at homegrown terrorism in its most insidious form and gives every reason to believe that the question is not whether an attack will occur, but when." - The Honorable Tom Ridge "Catherine Herridge has written a book that, from start to finish, grabs the reader. It is a fabulous look into her complex world that contains detailed observations and shocking revelations. Woven into the back story is the harsh reality of U.S. government incompetence, cover-up and deception all focused on self-serving bureaucratic ass-covering..."

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
