Brand New Book ***** Print on Demand *****.Excerpt from Catechetical Theology, for Youth: Especially of Bible-Classes and Sabbath-Schools On the importance of catechetical instruction, a single page or paragraph would be superfluous. The public sentiment as to this mode of instruction for youth, is settled; and has been for centuries: as the various catechetical treatises, both sacred and profane, from Socrates down to the present day, demonstrate. But if any thing be considered prerequisite, as introductory of another catechetical essay, it will probably be an apology for adding another to the heavy burdens of the same or similar species of publications, under which the shelves of our booksellers are already groaning. And yet the author of the following knows of none who would claim any apology unless the special friends of the Westminster Divines. But amongst these friends he claims a place; for he verily believes that the Westminster Catechism is the richest book of its size in the world, and ought to be studied and committed; this, or any others that have been, are, or may be hereafter, notwithstanding. But if that be...
