HEY CABBIE LL: THERE S NOTHING MORE REAL THAN THE STREETS. (PAPERBACK)

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Hey Cabbie ll features a Baltimore City cabbie, his fares and the city he serves. They are genuine human interest stories that will keep you intrigued. The stories show the different sides of Baltimore portrayed through descriptive vignettes that allow the reader to relive his experiences. He has come to realize that people are people no matter who they are or where they reside and regardless of their pronounced prejudices or economic statuses. This is any large city USA or the World dealing with the Haves/Have Nots or Rich Man/Poor Man. Hey Cabbie ll is the sequel to the popular 1984 book, Hey Cabbie, written by Thaddeus Logan, a former Baltimore City vice detective turned cab driver. Logan, a former city policeman and vice detective, has a strong sense of moral outrage and off-the-track politician together with a compassionate view of his primary supporters - the perennial underclass. My fond kudos for his integrity, courage, determination and willingness to share a vision of the city that could not be duplicated by a scholar, journalist or professional writer. It s a ride not to be missed if you want to learn about the contemporary scene in Baltimore. -Jack Dawson, Retired Reporter, Baltimore Sun Papers Vivid and fascinating account of raw, present day Baltimore, unknown to many. This book captures a slice of life relating to all cultures and societies. It s a peephole into humanity - the struggles and joys of life. Hey Cabbie ll is a page turner, enlightenment to all.great stuff! -A. Dwight Pettit, Attorney-at-Law, Baltimore, MD After reading Hey Cabbie ll, the thought entered my mind - who would know the pulse of the City any...
