Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

A gentleman that came to town in good health, meeting with some friends, drank a great deal of new bottled oat-ale after some pints of wine. These liquors fermented so violently in his stomach and intestines that he was taken, with a violent Colic the same night. . In the morning; an apothecary was sent for, who administered a clyster, and took some ounces of blood; to relieve a great pain in his left side. The patient growing worse, the Apothecary without order of any Physician gave him a violent vomit, which operated eight or nine times. The patient died in a violent convulsion. Upon opening his body the abdominal muscles were found so contracted that it was almost impossible to penetrate them with a sharp scalpel. The stomach was empty. Some parts of the duodenum, the jejunum and ileum were so much distended with the oat-ale, that the ileum was four inches, and the Colon eight inches diameter, the valves here were obliterated by the great distension. But the greatest disaster happened to the diaphragm. The foramen on the left side, through which the gullet and par vagum pass was here dilated, and a portion of the colon, and the greatest part of the omentum and pancreas were forced through it into the thorax. The pancreatic vein was ruptured, which filled the left cavity...
