Neuware - Scholarly Essay from the year 2011 in the subject Law - European and International Law, Intellectual Properties, printed single-sided, grade: -, - (humanrightslawyer.eu), course: Rechtswissenschaft (Völkerrecht), language: English, abstract: Is the right to fair trial applicable to immigration law cases In this essay, we will see that the situation in Germany, the Netherlands, Belgium, the United Kingdom and Turkey differs significantly from the situation in the other states which are parties to the European Convention on Human Rights (ECHR). It is the aim of this text to provide lawyers in those countries with a short guidance as to how to approach both the European Court of Human Rights but also and even more importantly domestic courts with regard to this issue. In particular the high caseload of immigration law courts as well as a lack of knowledge about the Convention make it necessary for practising lawyers to be informed about the rights of their clients. This article is designed as a practical guide and first reference paper for lawyers to assess the prospect of cases dealing...
