Help!!! My Kid Is on Drugs!: A Mother's Heart Speaks Out Loud!!! (Paperback)

By Belinda Belle

Outskirts Press, United States, 2009. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Belinda Belle shares a mixture of emotions with her audience concerning her kid on drugs. She expresses that this book is not to exploit her child, but to share with her readers, a mother's heart speaking out loud about her kid on drugs. She is so transparent that she makes you feel as if you are holding a one on one conversation with her. Belinda Belle is to the point about her experience with her child, and is well aware that a person's consequences are of their own actions, yet she still has compassion concerning his condition. Holding to the hope that one day her child will desire to want better for himself, and then that is when the change will come. She knows that there are millions of people living with, or know someone in this lifestyle, but feel like their situation is a isolated one, and is well aware of the discomfort of discussing this matter with others. She expresses that there is nothing for you that have a loved one challenged with...
