Filesize: 1.43 MB

### ***Reviews***

*This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Miss Celia Volkman)*

The traveling expenses of witnesses in these cases are paid under this project Contracts laboratory: The testing of contract supplies for this and other departments of the Government for the purpose of preparing specifications and controlling the quality of the supplies furnished the various branches of the Government service; study and development of methods for testing different materials; study of the essential properties of materials in common use in the Government service, such as inks, paints, soaps, rubber goods, lubricating oils, etc 24, 241. 35 Collaboration with State officials: In the collaborative work between the State and Federal Governments there are certain cases which are developed by the State officials in connection with their State work that must be brought under the Federal act because the shipper resides in another State. The food and drugs act provides that the analysis of samples made in the enforcement of the food and drugs act must be made under the supervision of the Bureau of Chemistry. Certain State chemists are therefore commissioned by the department to analyze samples in accordance with the provisions of this law, the cost of this work being paid by the department 1, 756. 13 Dairy laboratory: Analytical work in connection with the chemical examination of dairy products to determine their conformity or nonconformity with the food and drugs act; study and development of methods for detecting forms of...
