Looking Backward: 2000-1887

By Edward Bellamy, Walter James Miller

Penguin Putnam Inc. Paperback / softback. Book Condition: new. BRAND NEW, Looking Backward: 2000-1887, Edward Bellamy, Walter James Miller, Originally published in 1888, Looking Backward is Edward Bellamy's most famous work. The story revolves around Julian West, a man who falls asleep near the end of the 19th century and wakes up in the year 2000. During the time he slept, the United States became a socialist utopia. The majority of the book is a vehicle for Bellamy to expound upon his ideas about societal improvement. Americans in his year 2000 work fewer hours, retire early, and receive all they need from the government. Entertaining and oddly prophetic in some ways, Bellamy's vision of the future from the perspective of the late 19th century is highly engaging. American author EDWARD BELLAMY (1850-1898) also wrote Dr. Heidenhoff's Process (1880), Equality (1897), and The Duke of Stockbridge (1900).

Reviews

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.

-- Prof. Llewellyn Thiel

This pdf is definitely not straightforward to get started on studying but extremely exciting to see. It generally does not charge an excessive amount of. Your lifestyle period is going to be convert once you full looking over this publication.
