

Drum-Taps (Paperback)

Filesize: 4.38 MB

Reviews

A brand new e book with a new perspective. I could comprehend every little thing using this written e publication. I am quickly will get a satisfaction of reading through a written ebook.
(Clemmie Rolfson)

DRUM-TAPS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Drum-Taps by Walt Whitman - Drum-taps is a collection of poetry by Walt Whitman first published in 1865. - On April 12, 1861, Confederate cannons fired upon Ft. Sumter signaling the opening of the American Civil War. Consequently, this would also mark the beginning of a very important time in the life of American poet Walt Whitman. Whitman s style of writing drew from his attempts to better manage the psychological chaos he experienced. Now, with the Civil War, it was easy to see that all of society and the political structure had slipped into chaos. As the nation began to dramatically shift so did Whitman as his poetry during this time would begin to demonstrate his vision of democracy as people acting collectively and pragmatically to secure a meaningful political freedom. Regarding many of the poems in Drum-Taps, little is known about when they were actually written. An essential companion to reading Drum-Taps is Whitman s autobiographical memoir, Specimen Days. This part of Whitman s work recounts his every day experiences and the effect they had on his psyche. Relating mostly with the middle section of Drum-Taps, it reveals how the dominant metaphor for the war is a hospital, filled with wounded men who need treatment and dying men who need to be comforted.
