Brand New Book ***** Print on Demand *****.Excerpt from Prone and Postural Respiration in Drowning and Other Forms of Apn a or Suspended Respiration I have made it a sacred duty to assist in editing this my Father s latest work, during the protracted and severe illness, which terminated on the eleventh of this month in his death - in a loss irreparable to the whole scientific world. This final leap of an expiring flame is far from being the least brilliant of my Father s gifts to his profession and to humanity. My task has been easy. I have had little to do, except to gather together and arrange the papers which have appeared in a pamphlet and in The Lancet, and some M.SS. I should willingly have adopted the title given to the life-restoring process of pronation and rotation of the patient dying of apn a, by the Editor of that journal, and so cordially adopted by the profession: Any thing more simple, philosophical, or beautiful, could not have been devised. It is proposed to call the plan the ready method of...
