Baby Care & Child Health Problems

By Seema Gupta

V & S Publishers, New Delhi, India. Softcover. Book Condition: New. It is a fact that Baby Care begins right from the day or before a woman conceives. We all know that a mother plays the most significant role in a child's life. So, in order to bring a new life on this earth, a woman must be physically and mentally ready to go through the pleasures and pain of the nine-month long pregnancy and the precautions and care that she should take throughout this period to give birth to a healthy and happy baby. Baby Care & Child Health Problems presents complete and exhaustive information about the various facets of Pregnancy, how a baby grows inside the mother's womb and finally comes out of the mother's body as a newborn with a bundle of joy for everyone in the family. It also deals in detail how an expectant mother should get ready by making a list and collecting all the essential items required for her and her baby before his/her arrival in the family. The book is different from other Baby Care books as it explains in a unique and stepwise manner the various phases of a mother's life...
