Markelle Media, United States, 2012. Paperback. Book Condition: New. Karen Wolcott (illustrator). Signed. 201 x 132 mm. Language: English . Brand New Book. Rosie loves to play detective, yet she never thought she'd get to use her sleuthing skills as a flower girl. But that's what happens when the wedding she's in begins to fall apart. Luckily for the bride, Rosie and her new flower girl friends are on the case. Now it's up to them to turn a wedding gone wrong into one that's done right! Featuring diversity, humor, and fast-paced fun, the Flower Girl World children's book series highlights themes of friendship, leadership, acceptance, growing up, and girl power. Blogger Melissa Glynn of Julia's Bookbag says, I think girls would just FLIP over this series! I love the message, which does not center around dressing up and looking pretty. The stories focus on friendships, on finding confidence in one's abilities, and on doing what you can to assist others. This young readers chapter book is a celebration of flower girl fun and will appeal to any young girl, whether or not she is a flower girl in a wedding. If she is in a wedding, it makes the perfect flower girl gift! Look for more books in the Flower Girl World series: Iris and the Aloha Wedding Adventure Camellia the Fabulous Flower Girl.
