Hill, Maryellen Weimer, Praise for The Learner-Centered Curriculum "Cullen, Harris, and Hill provide a clear and practical framework for addressing the root of the problems of today's universities. The authors provide a lucid, actionable, and evidence-based prescription for building an integrated learning system to replace the hodgepodge of miscellany that we have inherited. This is a must-read for faculty and administrators committed to transforming their curriculum in order to educate better prepared graduates." Deborah L.
