

I Want to be an Awesome Robot: A Book of Humor/Memoir/Almanackery

Filesize: 7.56 MB

Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

(Doris Beier)

I WANT TO BE AN AWESOME ROBOT: A BOOK OF HUMOR/MEMOIR/ALMANACKERY

CreateSpace Independent Publishing Platform, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: If you're looking at this description on this commerce website, I can only assume that you're seeking a quick summary of what this book is about. People are like that, always asking questions like: What's this thing about? Where are we going? What's on your shirt? Why are you ignoring me? Why won't you take your headphones off? What is that machine over there? Are those headphones protecting you from it? Why can't I feel my legs? Well, I can't answer all of those questions that I'm just assuming you're shouting since I can't hear you over the Daft Punk I'm listening to. Okay. So. Let's start with what the book is about. I Want to be an Awesome Robot is a collection of humor, almanackery, and memoir. It is a work of jokes and lies, with some truth mixed in, plus a lot of stuff about catgirls. The title is about how I long to escape this disgusting meat prison, but it's only a minor part of the book. Most of it deals with tabletop role-playing games, anime, Japan, catgirls, food, entertainment, parts of the world I have visited, some of the secrets of Silicon Valley, and some maudlin observations about life and my family. There's also the Today in Geek History calendar, which presents an untrue fact about the history of geekdom for each day of the calendar year (plus one or two days I made up, plus 12 more so that I could do a Sup Dawg joke and have a calendar in a calendar because I apparently hate myself, at least when it comes to giving myself more stuff to write). Oh, and there's a Fun Activities section,...
