## Multicultural America: A Multimedia Encyclopedia (Hardback)

By -

SAGE Publications Inc, United States, 2013. Hardback. Book Condition: New. 290 x 230 mm. Language: English . Brand New Book. This comprehensive title is among the first to extensively use newly released 2010 U.S. Census data to examine multiculturalism today and tomorrow in America. This distinction is important considering the following NPR report by Eyder Peralta: Based on the first national numbers released by the Census Bureau, the AP reports that minorities account for 90 percent of the total U.S. growth since 2000, due to immigration and higher birth rates for Latinos. According to John Logan, a Brown University sociologist who has analyzed most of the census figures, The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations. Both non-Hispanic whites and blacks are getting older as a group. These groups are tending to fade out, he added. Another demographer, William H. Frey with the Brookings Institution, told The Washington Post that this has been a pivotal decade. We re pivoting from a white-black-dominated American population to one that is multiracial and multicultural. Multicultural America explores this pivotal moment and its ramifications with more than 900 signed entries not...
