## WHERE DOES IT HURT?: AN ENTREPRENEUR'S GUIDE TO FIXING HEALTH CARE

Portfolio, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "I loved this book. Jonathan Bush is a goggle-eyed radical foaming for revolution in the house of health care with the crucial, page-turning difference that for years he's actually been delivering on it. His story alone is worth the price of admission. He's driven ambulances in New Orleans, remade child delivery in San Diego, and built an Internet company that is transforming the way people practice medicine. And along the way you'll learn more about the real world of how health care works than should be possible for a book this interesting. Jonathan Bush is a singular new voice in American health care." Atul Gawande , surgeon, professor, and author of *The Checklist Manifesto* "This is a compelling, entertaining story from an insider's perspective on American health care by someone who has been closely involved in its reshaping. Few people amass Jonathan Bush's kind of experience or articulate as clearly what lies ahead." Abraham Verghese , physician and author of *Cutting for Stone* "Jonathan Bush is not only a brilliant visionary but he walks the talk when it comes to tackling the dysfunctions of our health care system. Reading this book will help you understand why things are as broken as they are and inspire you to be part of the fix." Regina Herzlinger , Nancy R. McPherson Professor of Business Administration, Harvard Business School, and author of *Who Killed Health Care? America's \$2 Trillion Medical Problem and the Consumer-Driven Cure* "Health care has successfully resisted organizational innovation to the detriment of our health and our economy. In *Where Does It Hurt?* Jonathan Bush gives exciting accounts of current innovation, and irreverently imagines an attainable future in which a vibrant medical marketplace is driven by health entrepreneurs, of...
