PSYCHO IN THE SHOWER: THE HISTORY OF CINEMA S MOST FAMOUS SCENE (PAPERBACK)

DOWNLOAD

Bloomsbury Publishing PLC, United Kingdom, 2009. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. This is a brilliant study of one scene in one movie: the shower scene from Psycho . Every other chapter is an extended interview with someone who either worked on the original film or Gus van Sant s 1998 remake. The non-interview chapters take various approaches to film criticism and the end result is very entertaining. Psycho in the Shower is a multi-dimensional study of the film s astonishing shower scene. Philip J. Skerry shows how it may be the most significant and influential scene of all and substantiates this claim by providing chapters on the evolution of the scene in Hitchcock s career, with particular focus on his methods for creating suspense and terror in the audience. In tracing the evolution of the shower scene, the author discusses and analyzes many films (both Hitchcockian and otherwise) that lead up to Psycho .The book places the shower scene in the cultural and social contexts of American popular culture of the 1950s and 1960s, arguing that it helped to create a revolution in both sensibility and cinematic style. Several unique dimensions help to set this study apart from other books on Psycho and Hitchcock: extensive and detailed interviews with people who worked on the film, including star Janet Leigh and screenwriter Joseph Stefano (the last significant interviews before their deaths); a close study of Hitchcock s employment of mise en scene and montage in the scenes leading up to the famous shower murder; a shot by shot analysis of the scene itself and a discussion of the numerous controversies surrounding it; and a provocative and insightful account of the writing of the book itself, which provides a unique look at the author...
