Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.

The responsibilities of the M.S.C.C. are undertaken in the name of the whole Church, by the representatives of the whole Church - the Bishops, with two clerical and two lay representatives from each diocese who compose the Board of Management. The following pages, reprinted from the Mission World, are sent out as a concise, explicit, and, we trust, readable account of our current responsibilities. The Three Questions are: 1. The sum of money required during 1915? 2. The purposes for which that sum is required? 3. The principles and methods which should be followed in obtaining it? The total apportionment for the present year is \$177,892. Of this amount \$13,068 is for Jewish work and expected to be obtained in the form of Good Friday Offerings. The remainder \$164,824, represents the apportionment on the ordinary basis to which we have been accustomed. To the above sum of \$177,892 we should add \$23,866 the amount, exclusive of appeals, undertaken by the W.A. for work among women and children in the three foreign fields.
