Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It's been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, alter the way I really believe.

ANIMALS ON PARADE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.From toddler to tween - and their parents - Animals on Parade will keep everyone engaged in this lighthearted and educational book on animals. More than two dozen animals are presented through poetry, providing facts that are detailed enough to really learn something (at a 6th grade level), but playful as well to read to even a kindergartner. The watercolor illustrations make for great prints to frame and hang, while the poems are fresh and original (and easy for even the most tired adult to read at the end of a long day).
