Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There are many second language students in the world. Most of them are going to language schools. What is the result after going to language school? How many students actually speak the language? How many students stop their programs and never return? Is the language industry concentrating on a high level of speaking? Is the industry even talking about speaking? Where are the results? Do language schools talk about the result phase of speaking and listening? Do language schools offer guarantees about speaking and listening? How much does it cost to go to language schools? Who is teaching languages these days? What are the teaching requirements? What kind of course curriculums do students experience? The language industry produces a very small percentage of speakers. Most educational courses have a very small failure rate. Language courses have an extremely high rate of students who drop out of language courses before being able to speak well. Most students never reach the fluency stage. What are the goals of the students? What are the goals of the language industry? Most students...
