Reviews

This is the very best publication i actually have read until now. It really is packed with knowledge and wisdom I am happy to let you know that this is the very best publication i actually have read in my very own existence and could be he greatest pdf for ever.

(Dr. Nelda Schuppe)

TO BUILD A BETTER TEACHER THE EMERGENCE OF A COMPETITIVE EDUCATION INDUSTRY

Praeger. Hardcover. Book Condition: New. Hardcover. 168 pages. Dimensions: 9.2in. x 5.9in. x 0.7in. Throughout the 20th century, grade-school teachers were trained in schools of education where progressive theories largely held sway and were licensed by state bureaucracies philosophically compatible with the education schools. Vested education interests now seek to make the monopoly even more controlling by requiring that all teachers be products of education schools accredited by a single national agency dedicated to progressive ideals. Holland proposes an alternative vision compatible with the emerging 21st-century paradigm of a competitive education industry: Lower unnecessary barriers to teaching so that bright persons of diverse background and disposition can become teachers. Set up an alternative track as in New Jersey so that bright liberal arts graduates or persons with valuable real-world experience can be hired as teachers and put under the supervision of experienced mentors. Apply value-added assessments as in Tennessee to these new teachers, and to veteran teachers as well, so that principals can see how much each teacher has helped each child progress academically or not from school year to school year. Holland's plan to break up the teacher-prep monopoly is bound to be controversial, and, as such, should be of great interest to all from parents and administrators to teachers and policy makers concerned with improving the state of American education. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
