THE TCS STORY AND BEYOND

Portfolio / Dorling Kindersley (India) Pvt. Ltd., New Delhi, 2013. Soft cover. Book Condition: New. In 2003, Tata Consultancy Services set itself a mission: 'Top Ten by 2010'. In 2009, a year ahead of schedule, TCS made good on that promise: in fourteen years, the company had transformed itself from the \$155 million operation that S. Ramadorai inherited as CEO in 1996. Today it is one of the world's largest IT software and services companies with more than 240,000 people working in forty-two countries, and annual revenues of over \$10 billion. The TCS story is one of modern India's great success stories. In this fascinating book, S. Ramadorai, one of the country's most respected business leaders, recounts the steps to that extraordinary success, and outlines a vision for the future where the quality initiatives he undertook can be applied to a larger national framework. Page Extent: 304.
