Carlton Books Ltd, United Kingdom, 2011. Hardback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. As you get older, it becomes more and more vital to keep your brain regularly exercised. Science has recently confirmed that brainpower works in much the same way as muscle power - if you work it, it gets stronger, and if you ignore it, it gets weaker. This is known as brain plasticity. Several recent studies have shown that mental exercise is a key component in preventing mental decline, even in cases where the brain is actually being attacked. Puzzles offer a vital opportunity to keep the mind lean, fit and functioning properly, so this book is ideal.
