Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

From the time that he had first found, himself alone with them, Oliver had felt sure that the animals could come alive again if they wished. That was one blowy afternoon about a week after his father had been made night engineer and nobody had come into the Museum for several hours. Oliver had been sitting for some time in front of the Buffalo case, wondering what might be at the other end of the trail. The cows that stood midway in it had such agoing look. He was sure it must lead, past the hummock where the old bull flourished his tail, to one of those places where he had always wished to be. All at once, as the boy sat there thinking about it, the glass case disappeared and the trail shot out like a dark snake over a great stretch of rolling, grass-covered prairie. He could see the tops of the grasses stirring like the hair on the old Buffalos coat, and the ripple of water on the beaver pool which was just opposite and yet somehow only to be reached after long travel through the Buffalo Country. The wind moved on the grass, on the surface of the water and the young leaves of the alders, and over all the animals came the start and stir of life. And then the slow, shuffling steps of the Museum attendant startled it all into stillness again. The attendant spoke to Oliver as he passed, for even a small boy is worth talking to when you have been all day in a Museum where nothing is new to you and nobody comes. You want to look out, son,...
