Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In 1963, exactly fifty years ago, an unknown author took the book world by storm when publishing her autobiography at the tender age of nineteen. It stormed to the top of the non fiction Best Sellers list, creating a literary sensation en route and was published in twelve other countries including the USA. The teenage author embarked on a major author tour of every country that had bought her book, immediately becoming a cult figure in the global media, the wildfire publicity campaign culminating in the paparazzi hanging from the trees outside her family home, television appearances in most every country that had television and multi page spreads in all the glossies including LIFE magazine and PARIS MATCH.
