

The Technics of Flour Milling: A Handbook for Millers (Classic Reprint) (Paperback)

Filesize: 8.28 MB

Reviews

Completely among the finest book I have actually read through. It is probably the most remarkable book we have study. I discovered this book from my dad and i suggested this book to learn.

(Georgiana Pacocha)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Technics of Flour Milling: A Handbook for Millers Second Edition of The Technics of Flour Milling scarcely needs a second preface, the author being highly gratified at the reception accorded to the initial imprint. It is, however, the usual custom, and, in as few words as may be, the following pages are presented to millers the world over in a spirit of confidence engendered by the success of previous effort. Flour milling to-day is fast approaching an exact science, and it would surely be a pity if nothing were done to keep its rules in evidence. My good friend W. R. Voller has decided not to re-issue his great work on trade technics, and, feeling that some help was required by those who are constantly entering the trade, and also by men of experience in every-day practice, no apology is needed in putting this work before English-speaking millers in all lands. Thanks are hereby tendered to all those who have been so generous in their assistance to - engineers and experts, to millers in many parts of the country, and to the trade journals - in what has been a labour of love. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
