

Valley of Bones (Paperback)

By Eric Wilson

WestBow Press, United States, 2010. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book. For millennia, two groups of immortals have roamed the earth in a spiritual chess game for human souls. Now they enter the time of Final Vengeance. On one side are the Collectors--unholy, undead entities who feed on misery and blood. In opposition are the Nistarim--saints raised from their tombs during the Nazarene s resurrection, who work to protect mankind. Natira, a powerful Collector infused with Judas s blood, is on the verge of finding the last of the Nistarim. To destroy them all in one master stroke, he must find the Nazarene s Crown of Thorns which is believed to be buried near Jerusalem. But the Nistarim have a potent weapon of their own, a boy who carries immortal blood. He has been hiding and waiting until now, when both sides collide in a battle of biblical proportions at Israel s historic Valley of Bones. The Jerusalem s Undead Trilogy takes readers on a riveting journey, as imaginative fiction melds with biblical and archaeological history.
