By James Gill

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 84 pages. Dimensions: 8.0in. x 5.2in. x 0.2in. In 2010, US News and World Report named technical writing one of the 50 Best Careers in the world. Want a new (or better) career as a technical writer, but aren't sure where to begin? How to Get Started as a Technical Writer is a practical, personal, no-nonsense guide to preparing for and launching your career in technical writing. You won't find a lot of fluff or detailed instructions on how to write. Instead, you'll get over 80 pages of concise, real-world information on what it really takes to break into the field. Take advantage of the author's 20 years of industry experience to get answers to questions like: What is a technical writer? What does a typical day look like? What are the must-have skills for a technical writer? Should I get more education? And, of course: How do I get experience and land my first job? How to Get Started as a Technical Writer also includes an extensive list of useful Internet resources and a glossary of up-to-date technical writing terms. This item ships from...
