PARASITOLOGY

CRC Press. Paperback. Book Condition: New. This item is printed on demand. Paperback. 152 pages. Parasitology provides all the basic principles of this increasingly studied subject, emphasised by specific, but important examples rather than covering organisms of just one particular group. It is ideally suited to the new modular semester system now used by most universities and is laid out in the form of notes (rather than detailed descriptions), accompanied by simple flow charts and diagrams. Each chapter begins with a...
