Brand New Book ***** Print on Demand *****.Road to Glory Volume II: Decade of Dominance is the follow up volume to Road to Glory Volume I: The Willis White era of the Salem High School Football Program. Decade of Dominance documents the following ten seasons following the 1996 season. These years have seen the ultimate highs of not only the capturing of five additional state titles but an unprecedented AA record of three titles in a row. The Spartans also had a record setting winning streak of twenty-nine games. Five years later Salem broke that record and set it at thirty-three games while achieving back to back titles. The decade also saw the passing of the torch to a new head coach and the dynasty that White built was placed in the hands of a former player.
