She s experienced that life, and the price she paid was far too high for her to ever want to return. Elly Garrett hasn t known any life except that of fighting the supernatural beings known as Creeps or Jackals. But she always had her mentor and foster father by her side until he gave his life protecting a book that the Creeps desperately want to get their hands on. When the book gets stashed at Night Owls for safekeeping, those Val holds nearest and dearest are put in mortal peril.
