Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Imagine you re swimming. in freezing water. dressed in a tuxedo. And you re being chased by a ravenous, thousand pound carnivorous seal. Ok, you re not really wearing a tuxedo, but your plumage could pass for one. You re swimming as fast as you can, almost out of breath, hurtling toward the shore with doom at your back door. Or, imagine that you re standing outside, it s forty below zero, the wind is howling, and you and your partner decide it s the perfect moment to mate. Or, imagine you haven t eaten in over a month but the nearest meal is a week s walk away. over ice. and you lack opposable thumbs. Such drama is worthy of an epic poem. Written for the child with an appetite for vocabulary, and the adult with an appetite for poetry that rhymes at any cost, this poem tells the tale of one of the most amazing creatures on earth.
